***REASONS FOR ALLOWANCE***

The following is an Examiner's Statement of Reasons for Allowance:

Claims 1-20 are allowed because none of the prior art references of record teaches an inkjet cartridge for dispensing a predetermined amount of fluids and/or reagents comprising a plurality of capillary tubes having a uniform diameter, filled with predetermined fluids and/or reagents, that are disposed on an inkjet print head so as to communicate with channels of the print head respectively and provide capillarity sufficient to prevent the fluids and/or reagents in the capillary tubes from leaking through the channels but not so great as to prevent the fluids and/or reagents in the capillary tubes from dispensing through the channels and wherein the capillary tubes do not communicate with each other in the combination as claimed.

***CONCLUSION***

Any comments considered necessarily by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
